Made in China

40 clear plastic standees featuring stunning door artwork!

Attention Adventurers, the door to adventure is opening! Now you can adorn any RPG map with beautiful doors to deepen the immersion of your encounters. Each door design is unique. From simple wooden doors, metal puzzle doors and perilous portals to suspicious skull covered stone entrances, adventure surely awaits!

Each design is presented on a clear acrylic standee with a clear base, ready to add to your table.

The box includes 35 single doors (2x1") and 5 double doors (2x2").

Key Features

1. Perfect to use with any TTRPG map, game board, map book or tabletop mat.
2. Adds instant immersion and impact to any RPG encounter, board game or even tabletop war game.
3. Designed to be 5" to 1" scale compatible with all major fantasy RPGs.
4. Beautiful artwork stands out on the clear plastic, and the clear base merges seamlessly into any scene or game.
5. Innovative format with each door hand drawn by Illustrator James Hayball.

Who will buy this?

- Dungeon & Game Masters and board gamers who want to quickly set up for their game.
- Anyone who wants to create more immersion and add striking content to their table.
- RPGers and Board Gamers who like to add their own accessories.

GM SCREEN TERRAIN & RANDOM ENCOUNTERS

MSRP	\$20
SKU	LBM059
EAN	5060703680706
Date	November 2024
Dimensions (in)	11 x 9 x 1
Weight (oz)	14
Case Qty	TBC
Case Info	TBC

Made in China

Beautiful GM screen including random encounters for the great outdoors!

Featuring stunning artwork, the screen is long and low so you can see and reach the action easily! It is the perfect size to conceal GM notes and dice rolls, while expanding the battle map on the table into the setting with amazing artwork.

The reverse of the screen features tables for random encounters you could easily drop into your game, perfect to help keep the game flowing and help the GM mix up their encounters! All the encounters are system agnostic and can be used for any fantasy TTRPG.

The screen is also laminated for durability, perfect if you use sticky notes etc. or stickers for map scenery. It is also wipe clean and can be written on directly.

Key Features

1. Beautiful artwork creates a stunning & immersive set up.
2. Long and low - easy to see & reach over.
3. Hides GM Notes and Dice Rolls.
4. Perfect for any fantasy RPG to expand the battle map into your setting.
5. Includes handy random encounters to use in your adventure!

Who will buy this?

- Dungeon & Game Masters who want an impactful table set up.
- Anyone who prefers an immersive backdrop to encounters. Also those looking for inspiration & support designing encounters.
- RPG Players as a gift for their Dungeon or Game Master.

5060703680676

A detailed landscape painting featuring a dirt path that curves through a vibrant green valley. The path is flanked by tall grass and small wildflowers. In the foreground, there are several wooden barrels and a simple wooden fence. The background shows rolling hills and distant mountains under a bright blue sky with scattered white clouds. The overall style is reminiscent of classic fantasy art.

Made in China

Perfect for heists, shenanigans and many more fantasy RPG encounters!

A new edition of the iconic Big Book of Battle Mats featuring battle maps of fantasy interiors. Perfect for heists, capers and other shenanigans.

Fully wet & dry marker compatible, the maps can be written on, customised and adjusted to suit any scenario. The innovative 360° spine allows the book to fold fully in half, so each map page can be used individually, or lay flat to use the complimentary opposing pages together for a larger area.

No more drawing maps mid game, just open the book and you have an immersive map for your party to explore.

Key Features

1. Book of RPG Battle Maps.
2. Lays dead flat on table with innovative 360° Spine.
3. Perfect for D&D, Pathfinder and any fantasy TTRPG.
4. Fully dry/wet marker safe so maps can be easily adapted.
5. Great for use with miniatures.
6. Useful tool for designing & planning encounters and for inspiring adventures!
7. 1 inch grid Throughout

Who will buy this?

- Dungeon & Game Masters who want to plan, design or run encounters in fantasy interior locations.
- Anyone who wants to save time drawing RPG Maps, or who prefers an immersive backdrop to encounters. Also those looking to create specific encounter scenes.
- RPG Players who want to run a heist as a gift for their Dungeon or Game Master.
