- RPG Toolbox!

JOURNEY ON THE LONG ROAD!

The RPG Toolbox contains The Long Road. You can run this either as a stand alone adventure for characters level 3-5, or as part of your own campaign.

The content is designed to be modular, allowing you to easily use the entire adventure as written, or take out any of the individual maps, areas, encounters, NPCs or monsters to use as you see fit.

This Box Contains

- 20 Fold Out Maps**
 - 10 double sided 11x17" sheets
 - Wet and dry marker compatible
- 40 Monster & NPC Cards**
 - Deck of unique monster/NPC cards
- Reference Book**
 - 100+ 5E random encounters
 - 5E adventure - A Well Traveled Vintage
 - Travel adventure generators
 - 40 Unique monster/NPC stats & descriptions

The toolbox is not an RPG system in its own right. It is designed to be used with D&D editions, and is easily adaptable for other editions and tabletop games. Simply add in a world of your own creation or choose an existing setting.
